

QUICK SERVICE

ALUMINIUM & GLASS WORKS

Our Vision is to continually implement and maintain the highest level of quality, integrity, dependability and efficiency and make use of modern technologies in the service that we provide to our valued customers and community.

ABOUT US

Quick Service Aluminium & Glass Works was established in 2014 as a concern registered at Abu Dhabi under the ownership of Mr. Jaisal Ali Salem Farj Al Ali, UAE National. Under the management of Mr. Hamza Pothuva Chola Kalathil and Mr. Noupal Kallingal Mohamed, who are also Managing partners of the company, it has cherished and widened its operations in quick pace.

Over years of total commitment to quality, excellence and customer satisfaction, Quick Service Aluminium & Glass Works is providing specialized construction services including all types of Aluminium, Glass and Cladding works for commercial, educational, religious, multi-unit residential projects as well as a wide range of other building activities.

QUALITY POLICY

Quality is the basic and important factor to our business and such it has been organized in a manner to ensure the required quality of metal and glazing in various stages of work starting from material procurement until the commissioning of the work.

The following precautions will be taken to assure the quality of the work.

1. Ensure the quality, proper selection and examination, those goods supplied and / or incorporated are suitable and safe to operate.

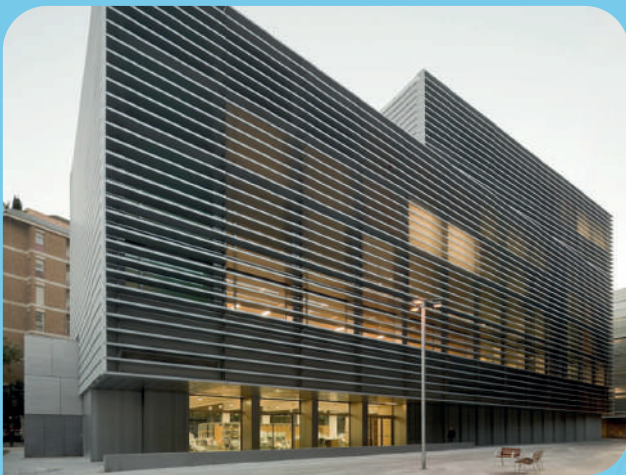

2. To make sure that goods and systems are installed in a satisfactory manner to facilities zero defects, Quick Service Aluminium & Glass Works, together with its client, jointly undertakes

Define the scope Plan, Program, Review the build ability, Set and Agree the standards, Breed a culture of care, Continuous monitoring of Procurement, Installation, Commissioning.

Curtain Wall / FACADE

Structurally Glazed Curtain Wall

Today's fast paced Construction schedules require faster enveloping of building in addition to high quality, simplified fabrication superior performance and design flexibility

Key Features:-

- Quality controlled fabrication, assembly and pre glazing
- Accelerated Installation
- Dual Finish capability

Structurally Glazed Curtain Wall

It is a stick fabricated, structural silicone glazed (SSG) Curtain wall system to provide desired visual impact for almost any type of building.

Key Features:-

- Structural silicone glazed curtain wall
- Concealed joinery provides a smooth and flowing appearance

Stick Curtain Wall

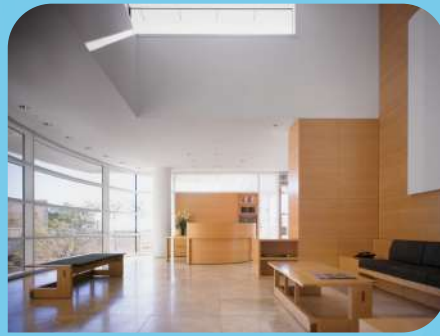

It is a stick fabricated, pressure glazed curtain wall having visible aluminium cover clips from outside.

Key Features:-

- An integrated outside glazed captured curtain wall
- Four way and two way options available

ACP Cladding

Aluminium composite panel cladding

Aluminium composite panel cladding for planar as well as curved interior and exterior surfaces

Stainless Steel Cladding

Aluminium composite panel cladding for planar as well as curved interior and exterior surfaces
